17/23 *Provence - 1177 Marinaside Crescent*

Nestled against the Seawall, any seat at Provence (<http://www.provencemarinaside.ca/>) (inside or out on the patio) fetches you a lovely view of the Quayside Marina and False Creek. With the largest selection of wines by the glass in western Canada (145!), you know their happy hour is going to be wine-centric... especially when they call it "Tappy" Hour. Proof: they offer 48 wines on tap during Tappy Hour.

Highlights: \$5 glass of wine, \$5 to \$6 small plate

Happy hours: Daily, 3 p.m. to 5 p.m.
