## FEATURED WINERY - TANTALUS VINEYARDS

Tantalus Vineyards was founded on the belief that exceptional wines made from a single vineyard of outstanding pedigree, would capture the palates of those seeking authenticity and a sense of place.

Tantalus Vineyards is situated on the eastern slopes of the Okanagan Valley, overlooking the shores of Lake Okanagan and the City of Kelowna. Originally known as Pioneer Vineyards, the site was first planted to table grapes in 1927 and today is known as one of the oldest continuously producing vineyards in British Columbia.

**Tantalus Vineyards Blanc de Blancs, chardonnay** 17  
2018 Kelowna, British Columbia, Canada.

This wine was crafted from a single block from Tantalus' home vineyard. The base wine was fermented in a selection of seasoned puncheons and barrique barrels, aged on fermentation lees until May 2019. The wine went through secondary fermentation in bottle for 22 months prior to disgorgement in March of 2021. A brilliant yellow colour, with fine bubbles, and aromatics of lees, toasted cereal, and sea breeze. Extremely elegant, with no shortage of concentration and length.

**Tantalus Vineyards Rosé, pinot noir/pinot meunier** 15  
2020 Kelowna, British Columbia, Canada

The grapes were picked early for acidity and whole bunch pressed to preserve freshness. Crushed and left on skins for three days prior to pressing. The wine was then fermented at a cool temperature and spent two months on fermentation lees prior to bottling in February 2021. The palate is lush, fresh and juicy, with notes of watermelon and rhubarb. A wonderful balance of fruitiness and savoury flavours.

**Tantalus Vineyards Chardonnay, chardonnay** 22  
2012 Kelowna, British Columbia, Canada

Chardonnay sourced from estate 1985 plantings alongside younger components of Dijon clones, planted between 2006 and 2007. Picked during a handful of days where the fruit reached optimal ripeness. After pressing, the wine went through 100% wild fermentation, and then aged for 10 months in primarily neutral oak barriques and puncheons with 30% new oak incorporated. A subtle but complex nose of lees, lemon, orchard fruits, and dusty oak. The palate hints at Meyer Lemon, stones, and warm spices.

**Tantalus Vineyards Reserve Pinot Noir, pinot noir** 25  
2016 Kelowna, British Columbia, Canada

Medium bodied and well integrated. The grapes are a mix of Dijon clones 667, 777, and 115. This wine is all hand made - from meticulous sorting and selection, to the gentle foot trodding, and light racking. It spent 16 months in French oak; 30% new oak before being bottled unfixed and unfiltered. This wine exudes elegance, with dry light tannins, and silky lingering fruit. The finish is warm and lengthy, with an undercurrent of old worldliness, which is reminiscent of Nuits-Saint Georges.
